Re: *US v. Ojeda, et. al.* {Dwight Anderson} 15 cr 487 (GBD)

Dear Judge Daniels:

By this letter, we respectfully request the most recent Judgment of Conviction be amended to include a judicial recommendation regarding vocational training sought by Mr. Anderson.

Previously, in the course of Mr. Anderson's initial sentencing, we indicated Mr. Anderson was interested in HVAC training. As a result, a prior Judgment of Conviction included a judicial recommendation that Mr. Anderson be designated to FCI Fairton (a facility which has an HVAC apprenticeship program) or another facility which provides an HVAC apprenticeship program. Since then, Mr. Anderson has become interested in learning how to become a welder. As such, on behalf of Mr. Anderson, we respectfully request the current Judgment of Conviction be amended to include a judicial recommendation that he be designated to FCI Schuylkill (a facility which Mr. Anderson is informed offers a welding apprenticeship program) or another facility offering a welding apprenticeship program.

Respectfully submitted,

/s/
